**CMN - Germany is a branch of
CMN International with its
Headquarters in Grapevine
Texas (USA).**

CHRISTIAN
MEN'S
NETWORK

vision

CHRISTIAN MENS NETWORK EUROPEAN UNION

We are a Christian non - profit,
non- denominational organ,
commissioned to serve the
body of Christ by speaking
with a prophetic voice to the
men of this generation.

CHRISTIAN
MEN'S
NETWORK

vision

CHRISTIAN MENS NETWORK EUROPEAN UNION

God has commissioned us to minister to men by teaching them principles and patterns from the Word of God, and to declare a standard for men and that standard is "Manhood and Christ - likeness are synonymous!"

NETWORK

VISION

CHRISTIAN MENS NETWORK EUROPEAN UNION

Men are always looking for better methods. However, while men look for better methods, God looks for better men. And to be a better man, a man needs to mature and to mature, a man needs to be taught and trained.

CHRISTIAN
MEN'S
NETWORK

CHRISTIAN MENS NETWORK EUROPEAN UNION

CMN - GERMANY does this through Conferences, seminars, books, tapes, monthly videos and a special designed curriculum.

The result is always **godly men, good husbands, Fathers and Leaders.**

Our aim is to see men change through the power of the Gospel of Jesus Christ.

We believe...

To be a male is a matter of birth but to be a man is a matter of choice and that choice is Jesus the Christ.

CHRISTIAN
MEN'S
NETWORK

CHRISTIAN MENS NETWORK EUROPEAN UNION

Mature men make strong families, strong families make strong churches, strong churches make strong communities and strong communities make strong nations.

CHRISTIAN
MEN'S
NETWORK

vision

CHRISTIAN MENS NETWORK EUROPEAN UNION

We believe in training men and as men accept their responsibility to lead in righteousness, we will see stability and strength being provided at work, in homes and nations.

When husbands begin to guide, govern and guard their households, they also provide strong support to their pastors in serving the people.

It is the man, and not the Organization that makes the ministry great. The ministry exists for the man, not the man for the ministry.

The Need:

To extend the boundaries of CMN Germany, to look beyond ourselves and our own needs and start meeting the needs of our brothers in Christ in the EU.

VISION

CHRISTIAN MENS NETWORK EUROPEAN UNION

How are we going to do it?

**We live in an electronic age,
where computers and access to
the internet has become
relatively cheap.**

The CMN Germany website becomes 'dated' very quickly; the plan would be to replace this with a website, which is navigationally user friendly, easy to update and display relevant local information for the country it services; to take CMN Germany beyond our natural borders.

Partnership:

There is no "I" in Team.

Just as we are 'one' in Christ, so we are 'one' team.

Partners together – furthering and building God's Kingdom on Earth.

Cost:

The cost of designing and maintaining this website will be high, the financial cost this will be offset by CMNEUROPE.ORG being a focal point for the Christian Men of the EU to resource the spiritual men of our generation.

Gentlemen ... this is only the beginning of great things for God – Ed Cole once asked “in our lives are we a Consumer or a Producer”; alternatively “Spectator or Participator” - let me ask you that question today.
